★ DEADLINE IS 2 WEEKS PRIOR TO THE CAMP ★

We are proud to have in our curriculum special jazz camps for individual students that have at least 3-4 years of dance experience and are going into at least the 4th grade. These unique camps will offer a variety of jazz routines, as well as innovative pom, hip hop and specialty routines in addition to modern, and contemporary dance, all to pop music. The material presented will challenge the individual dancer and improve personal dance technique. Top name choreographers will present masters classes with the latest material from L.A. and New York, including Miriam Vera as Jazz Camp Director. Leaps and turns classes, progressions classes, and technique workshops are offered daily. Participants come to learn as well as perfect their dance ability. Each student receives individual daily one on one critique time with the staff and awards are presented at the end of the camp.
